Northampton County, April 3, 1852.

Messrs. Tyler & Adair: I have been afflicted with rheumatism at times from my twellth year. I will be fifty years of age the 18th of this month; the attacks were so severe at times as to render me helpless. I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back and hips; I could not rest day or night; I could not move any part of my body without crying with pain. At this time I also tried many remedies, internal and external, without relief. I was at last advised to try HAMPTON'S VEGETABLE TINCTURE. Before I had taken one bottle of which, I feit much better, and

had taken one bottle of which, I feit much better, and as I continued taking it I feit strength coming into my back and limbs, and my stomach strengthened and revived every way. I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need, and would recommend it to the afflicted, believing it unequalled.

Yours. Messrs. Mortimer & Mowbray: Mrs. Elizabeth Beg-well is a lady of the highest respectability, wealthy and influential. The care in her case speaks volumes in favor of this wonderful Tincture. Several other persons we have heard of, have derived great benefit

from its use in our county. We are entirely out of the article, and have daily anxious enquirers to know when we will receive another supply. We expect large sales of it from the present demand, and want you to send us a box as soon as possible.
